

OFFICIAL SISSY EXPOSURE FORM

Dear Mistress Suzannah: You now have the rights to EVERYTHING!

1 - AS A TOTAL FAILURE OF MASCULINITY, I hereby grant Mistress Suzannah and her publishing company X-D Publications full rights to use degrading images of me - a fully-grown adult male - dressed in sexy women's lingerie, silky stockings, sissy pink dresses and French maid uniforms. I also promise that no matter how effeminate my outfit or how ridiculous I appear in the images, I will never withdraw the rights to their use. The same applies to any images in which I use sex toys to pleasure my cock-hungry anus, expose my caged clit or am shown being ravaged by more masculine men.

2 - AS A HOPELESS SISSY SLUT, I understand that these images may be used in Mistress Suzannah's print magazines and websites, as well as on her social media platforms, where they may be seen by real men who will masturbate ferociously and spunk creamy loads while fantasising about ripping down my panties and penetrating my sissy arsehole! I also understand that these real men, with their huge hard manhoods that dwarf my pathetic sissy clit, might also attempt to contact me and arrange to use my feminised body.

3 - AS A SHAMELESS EXHIBITIONIST, I hereby confess that I am in desperate need of exposure as a cross-dressing sissy and that I can feel my pink panties bulging from the thrill of signing over full rights to these images. I also understand that as these images are spread across the world and are seen by my family, friends, neighbours and work colleagues, my chances of ever being taken seriously as a man again will quickly wither into dust. This is the end of my manhood and the beginning of my total descent into sissyness. Soon everyone will know the truth about me - that I'm a dirty sissy slut!

4 - AS A SEXUALLY INADEQUATE MALE, I acknowledge that release of these images into the public domain leads me down a path with an uncertain future. I fully accept that I may end up a caged cuckold in a sexless marriage, the black-owned sissy of a horse-hung Master or the full-time maid to a strict dominatrix who forces me to tidy her chambers and 'entertain' her gentlemen friends. And regardless of what becomes of me - and even if it leads to a full and irreversible sex change - by signing this public exposure document, I hereby accept my sissy fate...

Attach humiliating images here, including some form of photo ID.
